SHIPPING OF PAST WEEK AT HONOLULU

Shipping has been excessively dull during the past week. The three through boats that were here early in the week lent a little activity to the waterfront but it did not last. It is true that the island boats have been bustling about but they have not been having extra large cargoes. The only deep sea sailing vessels arriving during the week were the Irmgard and the W. B. Flint, both from San Francisco. During the coming week activity should be greater and more sustained. A summary of the arrivals and departures of deep sea craft during the week is as follows:

A-RIVALS.

From San Francisco—23. Am. bkt. Irmgard, 300 pigs and general freight; 25. T. K. K. S. S. America Maru, passengers and mail; 26. O. S. S. Ventura, mails and 435 tons general merchandise; 26. Am. bk. W. B. Flint, 400 tons general merchandise; 26. U. O. S. S. Argyl, 24,500 bbls. oil.

From the Colonies—O. S. S. Sierra, passengers, mail and small amount of freight.

DEPARTURES.

For San Francisco—24. Am. bk. Santiago, 2 passengers, small amount of sugar and ballast; 25. O. S. S. Sierra, passengers, mail, 4000 bunches bananas and big shipment canned fruit; 28. U. O. S. S. Argyl empty.

For the Colonies—26. O. S. S. Ventura, passengers, mail.

For the Orient—26. T. K. K. S. S. America Maru, passengers, mail.

For Makaweli—29. Am. bk. W. B. Flint, 500 tons mdse.

VESSELS IN PORT.

The vessels in port number ten and may be classed as follows. Government vessels, one; deep water sailing vessels, four; Island steamers, five. (This list is exclusive of obsolete boats on Naval row, small sailing vessels and tugs.)

The Iroquois is at the naval dock as usual and the Patterson, having been overhauled, is again back on Naval row. The Alpena is still at the Sorenson wharf where she has just finished unloading coal. The Andrew Welch is at the Inter-Island wharf, across the slip from the Alpena and is being overhauled preparatory to sailing for San Francisco. The Erskine M. Phelps is at the Ewa side of the Hackfeld wharf where she will winter. The Ke Au Hou and James Makee are laid up at the Inter-Island wharf and the Noah is loading there preparatory to sailing Monday afternoon for Kauai. The Kinau is at the Wilder dock loading and the Kaulani is still at the Bishop slip being overhauled.

W. G. Hall on Time.

The W. G. Hall arrived from Kauai ports at five o'clock yesterday morning. Her cabin passenger list was very small but she brought a large number of Japs on deck, there being 14 cabin passengers and 82 deck. Purser Friel reports that the Mikahala is at Makaweli discharging lumber and the bkt. Endeore is at Eleele discharging coal. She has unloaded 30 tons so far. The schr. M. Turner, which had been at Eleele with coal, left for the Coast Thursday afternoon. They had fine weather on the lee side of Kauai, but returning there was a strong breeze blowing and the sea was choppy.

Claudine Arrives.

The Claudine arrived bright and early yesterday morning with a large list of passengers and a fair amount of freight for this time of the year. She brought down 42 cabin passengers, 28 bags of bottles, 181 sacks of corn, 2 horses, 47 hogs, 30 calves and 129 packages of sundries. She experienced very fine weather but for the exception of a rather stiff breeze.

Shipping Notes.

The Maui arrived yesterday from Hawaii ports. She probably will not leave until Friday because of lack of freight.

This week should be active on the waterfront. Through boats from all directions will be due and a transport thrown in.

GROCERS' NOTICE.

In accordance with our desire to give our customers the best possible service at the lowest prices, we have decided to discontinue the practice of allowing a discount of 5 per cent on retail monthly bills, and therefore give notice that on and after the 1st of November, 1904, no discount whatsoever will be allowed on any groceries sold in our stores. All groceries will be sold at net prices, on a basis of spot cash or thirty days' settlement, and there will be no exception made to this rule. Purchases made in our retail departments up to the 1st of November will, of course, be subject to the 5 per cent discount as heretofore.

The discount question has frequently been the cause of disputes and dissatisfaction and we believe this arrangement will improve our relations with our patrons, while it will at the same time enable us to more adequately meet the keen competition prevailing in our line of business, and to give our customers the benefit of the lowest prices.
